I first heard about the A F S. scholarship to America at a school assembly. The assembly and the idea of living in such an interesting country for a year strongly appealed to me. I felt a year in another country would give me an excellent opportunity to learn more about myself and other people living in a different lifestyle. The scholarship seemed like a terrific chance to broaden my understanding of America and its' people. This year has been full of new experiences for me. I have gained so many precious memories of America and especially my year at Sheehan that will stay with me forever.

When I return home to New Zealand I will have many good times to share with my friends and family. I sincerely believe this year maybe one of the most special experiences in my life. I carry a heart full of love for the people who made this year so special. To them I say, "Thank you" from the bottom of my heart. I hope future exchange students at Sheehan will have as wonderful a year as I did.

AFS is a club, that brings students from other countries to America and to provide opportunities for American students to live abroad and experience other cultures. The students live in host homes and attend high school with their AFS brother or sister. There are also AFS weekends, which bring several foreign students from surrounding towns to spend a few days at Sheehan. The Advisor is Mrs. Betty Wakeman.

BOYS INTRAMURAL BASKETBALL

For the eighth year in nine intramural basketball seasons, the Fritz's Faculty team won the league championship. The faculty club, lead by the scoring of coaches John Novakowski and Bob Neubauer and the rebounding of Jim O'Connor and Coach Fritz, went unbeaten in league play.

In the key game of the year, coach Novakowski scored 20 points while Dan Roberts, Paul Reynolds, Gordon Green, Ralph Schlottman and Bob Neubauer all scored 4; four points to lead the balanced scoring effort. Jim Schlosser had 16 points for the losers, Tom Hall chipped in with 6 points.

Word from the coaches office has it that many of the Fritz's Faculty championship team may retire based on the injuries received in their game against the second placed team. Coaches Farley and Schlottman are scheduled for retirement. BOTH will be drafted and sent to basic training before Afghanistan.

Karen,
Well this year
is over finally. We
had good and bad
times but don't think
of the bad just the good.
Just remember the sewer
always going to be their but
we'll be the ones moving;
look forward to the future
because some where in the
future holds our dreams
which will somehow
come true.
Take care

Love,
Jiz

Karen,
It was nice
knowing you this
year. Hope to see you
next year and over the
summer.
Steve Camera

KAREN,
See ya next

stay working through the summer.
Hope to see you over the summer.

Janet

Karen,
Well, 1 year is over
3 more to go. Then it's
Calfi. for a month. I just can't
wait. I hope I get you in
some of my classes next
year. That's all I really can
say. Just stay out of trouble
and stay out of trouble
Love,
Mary

Rafy
It was nice
having you in home room
and I know I'll have you
in the future and I know you'll
come in stoned every day.
